## Mentoring Program Art 2025–26

Alumni Support Program of the Academy of Fine Arts Vienna

Submission Deadline: **September 9, 2025, 11:00 AM**

The Mentoring Program Art at the Academy of Fine Arts Vienna aims to support graduates with independent artistic practices in developing a professional artistic career. Positioned at the intersection of academic studies and freelance artistic activity, this one-year scholarship program is intended for graduates from all study fields at the Academy who seek mentoring during the initial phase of their post-graduate careers.

This program emphasizes individual knowledge and experience transfer from external mentors from the art and cultural sector, alongside financial support. The program promotes emerging artists from the Academy, ensures gender equality in the arts, and provides graduates with diverse insights into the art industry and practical knowledge to build a professional artistic career.

Program partners include the Association of Women Artists Austria (VBKÖ) and the Federal Ministry for Housing, Art, Culture, Media, and Sport (BMWKMS).
