Online Pre-Registration

After successfully passing the admission exam an online pre-registration in our CampusOnline system is required from September on. A pre-registration is possible from every device. Follow this link for the on-line pre-registration: campus.akbild.ac.at

Enrolment to Study

After the pre-registration, you have to enrol personally with the required documents at the Academy Registrar's Office at Schillerplatz. If you are not yet in Vienna, online admission to study is also possible.

To find out more about enrolment, tuition fees, German courses and IT services for students please consult the pages of the *general study information*.

Tuition Fees

For admission to study, the correct amount must be paid by the end of the registration period, otherwise you risk to not being enrolled or being deregistered!

The regulations regarding the amount and possible exemptions from tuition fees depend on a range of different requirements. Under certain circumstances a fee waiver or refund of the fees can be granted. Please find more information on our website (see link *general study information*).

The students' union fee (ÖH-Beitrag) is not part of the tuition fees and must be paid each semester by all students without exception.

German Language Courses for Students

The Academy of Fine Arts Vienna offers German language classes for students in the Fine Arts and Scenography programs to reach the level B1. From language level A2 students also have the option to attend the seminar *Foreign Languages for Artists*. If places are still available, students from other programs (e.g. PhD) may participate in the German courses (see link *general study information*). If you cannot attend the German courses organized by the Academy, you will need to attend external courses to reach the required German level before entering the third semester.

Once completed the enrolment at the Registrar's Office, you will receive your login data for *CampusOnline*.

With your PIN code and your matriculation number you can activate your student account and use many services:

- Course catalogue
- Registration for courses and exams
- Course certificates, study confirmations and study records
- Webmail address for students

Webmail account for students

WiFi: Students of the Academy have free access to the wifi network Eduroam (at the academy as well as other universities).

Akademie-PrintCard: students of the Academy receive a print card at their institute. Credits can be bought at the office of your institute. Printing, copying and scanning is possible from all printers at the Academy.

Link to: *IT-Services*
For technical questions, please contact our IT support: *support@akbild.ac.at* or by phone: *+43 1 58816 1717*.

We strongly recommend checking your webmail account regularly, because all official and important information regarding your studies will be sent to this account only!

At the beginning of the semester, we organize an orientation program for our new students with a number of introduction and welcome events for a good start at the Academy. Take the opportunity to get to know our services as well as other students!

Tuesday, 3 October 2023:

Welcome meeting of the Student Welcome Center

First week of October:

- Kick off meetings in your study program
- Guided tours: Library, Paintings Gallery, Academy Sites etc.
- and many more ...

Detailed information about the program is available on the website, the social media channels of the Academy and at your institute.

The curriculum is an important document and provides information about the contents of the degree program, the types of classes (courses, lectures, etc.) and the amount of credits you need in order to complete your studies.

The curriculum for your degree program can be found in your personal *CampusOnline* account as well as on our website. Please consult the respective degree program.

*Visas and
Residency*

After arriving in Austria, please check the following requirements:

Mandatory Residence Registration

By law all people living in Austria have to register their place of residence at the registration office. All information, contacts of the registration service centres, online reservation for appointments, application form and required documents are available on the website of the city of Vienna. You'll get a residence registration certificate which is required in several cases such as opening a bank account, for voting rights or similar.

Die Meldepflicht hat nichts mit Visa oder Aufenthaltsgenehmigung zu tun!

Registration

Registration Certificate for EU and EEA nationals

All EU and EEA citizens residing in Austria longer than 3 months need to apply for the registration certificate at the competent authority, the Municipal Department 35 (MA35). Please consult the website of the city of Vienna for further information about contacts, online reservation for appointments and application forms.

Residence permit for non-EU and non-EEA nationals

You have to apply for a residence permit either in advance at an Austrian authority abroad, or after arriving in Vienna at the Municipal Department 35 (MA35). Please consult the website of the city of Vienna for further information about contacts, online reservation for appointments and application forms.

trans. inter*. non-binary

The Academy of Fine Arts Vienna tries to support the diversity of their students. Different origins, diverse experiences and situations in life are considered an enrichment: We would like to contribute to shaping teaching and learning spaces at the Academy in a gender-reflective, discrimination-critical and respectful way.

The Academy wants to support all students in the best possible way.

We work in the following fields:

- establishing non-binary university structures
- change of name and personal status

Equal treatment and
anti-discrimination

In cases of discrimination, which includes verbal discouragement and sexual harassment, the Equal Opportunities Team (AfG) offers general information, confidential counselling and support to students, administrative employees, research and teaching staff as well as applicants. If the involved person agrees, the members of the Equal Opportunities Team support and guide them, either by arranging mediation talks or initiating an internal complaint procedure. For further information see.
